**Subject: COMPLIANCE OF SOPS IN TRANSITIONAL CATTLE MARKETS (BARKRA MANDIS).**

The undersigned is directed to refer to minutes of 2<sup>nd</sup> BCOC-DCOC Video Conference bearing No.BCOC/Com&DC/2020/455-57, Dated Quetta the 10<sup>th</sup> July, 2020 on above cited subject.

2. In connection with upcoming Eid-ul-Azha preparations and transitional cattle markets, it was, *inter alia*, decided in the subject BCOC conference that:

- "Congestion will be avoided while identifying spaces for Cattle Markets.
- It will be ensured that all sacrificial animals brought to the markets are properly vaccinated to avoid Crimean-Congo Hemorrhagic Fever (CCHF) caused by Congo Virus.
- District Administration to ensure strict observance of **SoPs** in the Cattle Markets.
- Proper fumigation spray will be carried out regularly in the cattle markets.
- Tiger Force will be utilized for surveillance in Cattle Markets".

3. It is, therefore, requested that in addition to compliance of foretasted decisions, please make sure that the "**Cattle Markets**" are kept under regular surveillance and report on violation of **SoPs** along with pictorial content is submitted on daily basis for on-wards submission to **NCOC** regularly. Please also share the location and dimensions of the Cattle Markets established in respective areas (proposed layout / model cattle mandi is enclosed).

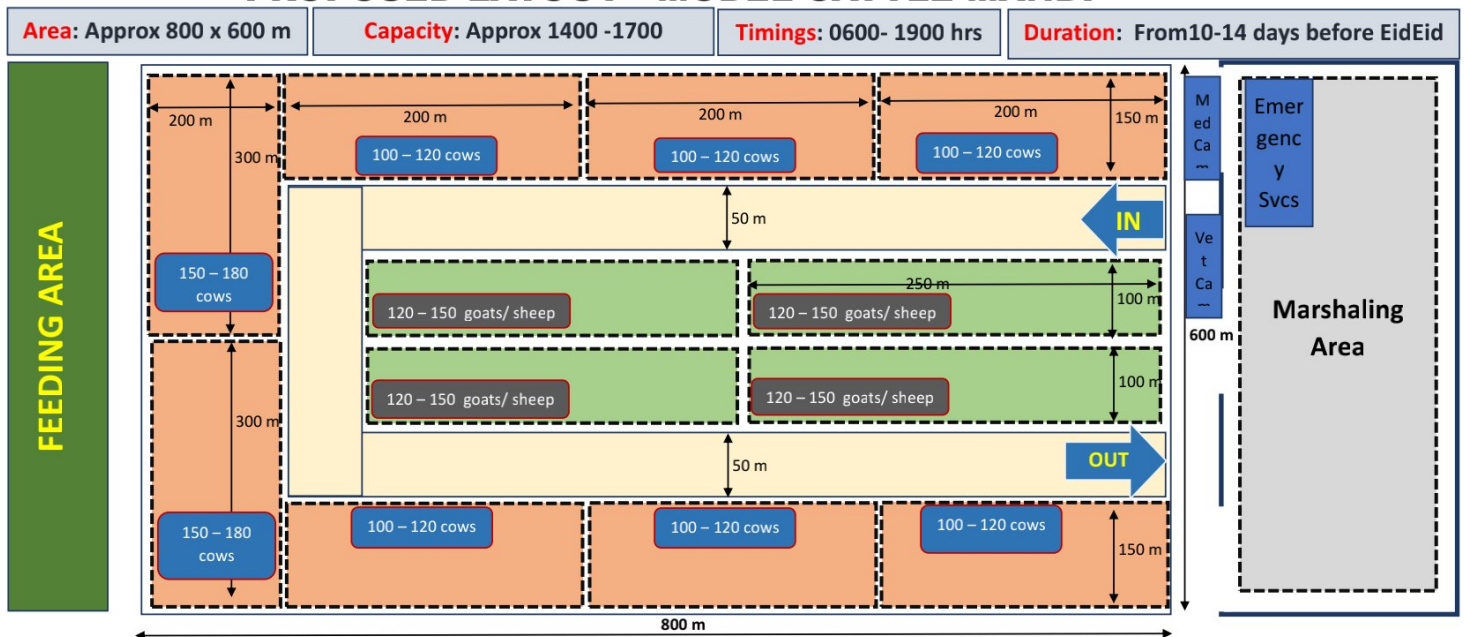

**Top Priority**
